INSTRUCTIONS

1. P.E.P. the natural nail. (For details see our CND™ VINYLUX™ Application & Removal Step-by-Step.)
2. Apply two layers of CND™ VINYLUX™ Cream Puff to the nails. Allow to dry.
3. Using the CND™ VINYLUX™ Element, Decadence & Wooded Bliss create little petals. With the brush straight out of the bottle, touch the tip of each brush to the nail here and there till a diagonal section of the nail is covered in little imperfect dots. Leave space at the top right and bottom left side of the nail. Allow to dry.
4. Using CND™ VINYLUX™ White button Down, use the brush out of the bottle to paint over your dots in a few firm strokes from the top left to the bottom right of the nail. This will drag the colors out making them look streaked. Give the brush a little wipe on a paper towel before placing it back into the bottle.
5. Add a few more dots with CND™ VINYLUX™ Books & Beaujolais and Decadence, using the tip of the brush straight out the bottle. Allow to dry.
6. Apply a thin layer of CND™ VINYLUX™ Long Wear Top Coat. Allow to dry.
