  - Mover & Shaker
  - Rule Breaker
  - Silk Slip Dress
- CND™ VINYLUX™ Top Coat

## ART SUPPLIES

- N/A

## INSTRUCTIONS

1. P.E.P. the natural nail. (For details see our CND™ VINYLUX™ Application & Removal Step-by-Step.)
2. Apply 2 layers of CND™ VINYLUX™ Silk Slip Dress. Allow each layer to dry.
3. Apply CND™ VINYLUX™ Mover & Shaker covering the center of the nail up to the tip. Use the brush straight out of the bottle, the shape of the brush will make it easy to create the curved outline.
4. Use CND™ VINYLUX™ Rule Breaker to create a final slimmer section of color inside the previous. Again, the shape of the CND™ VINYLUX™ brush will help create the outline.
5. Apply a thin layer of CND™ VINYLUX™ Long Wear Top Coat. Allow to dry.
